Navigating the CVR MLS Rules and Regulations, DPOR Regulations and the NAR Code of Ethics can be quite the traffic jam. Don't let the rules and regs slow you down. Merge onto the fast lane and speed to the front of the pack with MLS Road Rules.

This class is designed to break down the rules and regulations and demonstrate how to utilize these “speed bumps” and turn them into success. This course will also provide tips on how to avoid fines, penalties and potential ethical and regulatory violations.
